

Year 1

Seasonal Changes

Date 1:

Date 2:

1. How many seasons are there?		
2. Which season comes after spring?		
3. Which is the coldest season?		
4. In which season do the leaves fall from the trees?		

5. In which season do we get the most daylight?

6. Why isn't it safe to look at the Sun?

Things I want to find out about the seasons:

My questions about seasonal changes:
